

Gas Seal

Retrofittable

Description

Provides an effective and simple solution to gas and watertight duct sealing requirements.

This modular system can be fitted easily onto new and existing installations. Thanks to its small and compact design, it can be installed in most situations even in hard to reach places.

- Gas and Water tight up to 0.5 bar
- Suitable for retro fitting
- Easy installation
- No need to slide the seal over the glass fibre for installation
- Slim design
- Other versions available upon request suitable for retrofitting

Material

Plastic housing	Sealing Plug	Sealing
PC	TPE	up to 0.5bar
