Duct Cutters & Sheath Strippers

Cutters

We offer a range of duct cutters designed for quick and easy cutting. The cutters assist users in obtaining a square cut to enhance fitting retention and all have razor edges to ensure a clean cut with minimal flattening of the duct during cutting.

- Quick, clean cuts with minimal flattening
- Square cuts enhance fitting retention
- Light weight and robust

Suitable for duct size range	Radius Product Code
Ø 3-14mm*	ZA2951
up to Ø 42mm	ZA2977
up to Ø 63mm	ZA2979

*replacement blades are available for product

Stripper

Radius Sheath Stripper is the ideal tool for quick and easy reveal of the sheath(s) of microduct bundle. The cutter can be used single-handedly and allows for safe stripping of the sheath without damaging any of the interior ducts. It is made from high quality plastic to ensure long lasting accuracy.

- Quick, clean cutting
- Adjustable to sheath thickness preventing damage to inner ducts
- Cutting blade can be easily replaced
- Light weight and robust

Suitable for duct size range	Radius Product Code
Ø 6-28mm	ZA2911
Ø 25-40mm	ZA0764
